Administrator's Report by Randall Oliver

We are working with the Cheney Recreation Commission to develop a Master Plan for the new Ball Diamond area for a future park. We have hired LK Architecture to develop the master plan. Community meetings will be scheduled to receive public input and the public is encouraged to attend. An online survey is also available for citizens to give feedback and can be found on our website at www.cheneyks.org

June 4 will be Celebrate Cheney Day at Souders Museum, come out and enjoy the fun. The Cheney Fire Department will host their 16th annual golf tournament at Cherry Oaks on June 5th. Please support them with a donation or come out and play in the tournament. Forms are available at the golf course or city hall.

Cheney garage sales day is set for May 26th - 28th. It is a good time to find bargains galore or time to have that needed sale. June 4th is the citywide cleanup day is available for all residents of the City and is a time to get rid of all those left over garage sale items, clean out the garage, shop or basement and have it hauled away free. Just set it out at the curb the night before.

The Sedgwick County Preliminary Flood Insurance Rate Map (FIRM) is completed. The Preliminary FIRM will now go through a final round of FEMA review and validation that will lead to the issuance of the Letter of Final Determination (LFD). The LFD finalizes the mapping process and is scheduled for June 22, 2016. A six month statutory adoption period will begin on the LFD date and run through December 22, 2016. Cheney will officially adopt the new map in their local floodplain ordinances during this time period. A higher level of floodplain management will now result in fewer homes and business that will be mapped into the floodplain the next time the FIRM is updated. The Preliminary map will become the effective Flood Plain Regulatory map for Cheney on December 22, 2016.

We have several new businesses in town, Albers Finishing and Solutions, Cheney Barber Company, Granny's Treasurers, Midwest Bubble Soccer, Rescue Print Shop, Two Feathers Disk Golf, Unleash Paint Parties, and Voss Creative. Please remember to Shop Local.

As always, feel free to call or stop by City Hall with questions, comments or concerns.

Be sure to like the city of Cheney's Facebook page to keep up-to-date on local happenings!

Just a reminder that the Brush site is for dumping trees and branches. **NO LEAVES, GRASS CLIPPINGS, BUILDING MATERIAL OR TRASH IS ALLOWED.** Also remember that it is against City Ordinance to blow leaves and grass clippings into the street.

Please **DO NOT** flush any type of adult wipes down the sewer. These items plug our sewer mains and piping going to the sewer ponds. Although the directions may state that these items are biodegradable, we are finding out that they are not.
